U.S. District Court, Eastern District of Pennsylvania

Re: *Mylan Pharmaceuticals Inc. v. Warner Chilcott PLC, et al.*, 12-CV-3824 (E.D. Pa.)

Dear Judge Diamond:

This letter is respectfully submitted on behalf of Mylan Pharmaceuticals, Inc. ("Mylan") to request a status conference to address the Court's Order from this morning suspending the Amended Case Management Order in this case, Dkt. 378.

Mylan understands that the Indirect Purchaser Plaintiffs have reached an agreement in principle on a settlement with Defendants, thereby leaving Mylan as the one remaining plaintiff in this case. Mylan has been preparing for a June 24th trial of this matter, as Your Honor is well aware, and would prefer to try the case beginning on that date if at all possible. But we now understand the Court's schedule will make impossible the commencement of trial on the 24th. In light of this development, we respectfully request that the Court convene a status conference for the purpose of fixing a new trial date for this case. Having such a date will allow both sides to assure the availability of counsel and witnesses for trial.

Dated: June 2, 2014

Respectfully submitted,

Joseph M. Donley
